July

12.30pm onwards

End of term

Friday 15th July

Dear Parents and Carers,

It has been a lovely week at Ark Byron. Our art workshops have been a great success – every child took part in two workshops during the week and used a wide range of art techniques to create a design for a bag and a card, based around the theme of “journeys”. The children have produced stunning work and they have also been showing us they are now ready for Year 1. During the workshops all of the children showed great focus and sustained concentration. The artwork they have made will be displayed in school on the 30th June/1st July and will go on sale at the School Fair.

Please remember that next Friday is a staff training day and there is no school for the children. NB Celebration Assembly will be on Thursday instead of Friday.

Have a lovely weekend.

Mrs Kaplan and the Ark Byron team

STARS OF THE WEEK

	COURAGE	EXPLORATION	ENDEAVOUR	EXCELLENCE
Swallows	Ines	Arzan	Jake	Romilly
Swifts	Douglas	Pedro	Daniel	Libby

These children will receive silver certificates: Edie, Grayce, Hisham
These children will receive gold certificates: Naomi, Linda, Freya

ATTENDANCE AND PUNCTUALITY

Class	Attendance	Punctuality
Swallows	99%	98%
Swifts	100%	98%

Well done Swifts!

International Day

We are having an International day on Thursday 23rd June. It is a chance to celebrate the diversity within our school. There will be a Celebration assembly that morning.

Children can dress up in their national costumes or colours. If you are British children may like to dress up as the queen or a prince to celebrate the Queen's birthday!

We are hoping that we could also enjoy some international food! If possible please bring something we can share out (no nuts please).

NB IF your child is due to attend Park School that day please make sure they can still manage to put on boots etc for the afternoon!

Notices

- Please make sure your child is in the line at 8.30 am when the bell goes so that he/she has a calm start to the day.
- Make sure the 2nd July is in your diary for the school Fair! Please see the attachment about this from ABPA. Thank you to everyone who is working hard to make that day a big success and lots of fun.

Moving on to Year 1:

In Year 1 there will be new classes - that is the children will be mixed up to some extent. It is important for us to ensure that the classes are well balanced going into Key Stage 1. The children have all been asked to choose two friends and told that they will be with at least one of those in Year 1. To clarify - your child will have one friend he/she has chosen but not necessarily both. We will tell you which class your child is in at the Parent consultations at the end of term and your child will meet their Year1 teacher in the last week.

Ark Byron is committed to safeguarding children.
