Dear Parents and Carers,

It has been another busy week in Ark Byron. We are getting excited about the trip next week – please ensure you have returned the slips and money.

Thank you for all the dressing up for our International day. The children looked amazing this morning. It was a coincidence but rather appropriate that we were talking about different countries on the day of the Referendum!

Please see the information about the raffle tickets for the fair. There are some amazing prizes so it is well worth buying some books! Make sure you have the date firmly in your diary for July 2nd – it is not long now.

Have a lovely weekend.

Mrs Kaplan and the Ark Byron team

What are we learning this week?

In Maths this week children (who are ready for this) have started learning about numbers larger than 20. They have been learning to identify how many tens there are in a number (i.e. there are two tens in twenty). This learning will continue and develop next week.

In Literacy our story has been “The train ride”. Children have been developing their story writing – planning and writing stories with clear beginnings, middles and ends. There have been many transport related activities during the afternoons – lots of art work for displays and making trains and buses from boxes.

A message from ABPA

Notices

- Please return your slip for parents evening to the teacher, not to Miss Callnon. Please hand it across otherwise it may get forgotten in the school bag.
- Mrs Kaplan apologises for confusing some of you about swimming dates - hopefully it is all clear now and fair for everyone. Two e-mails went out about swimming today.
- Please endeavour to be in the line with your child at 8.30am. Late comers do not have such a calm start and miss out on the beginning of learning.

Ark Byron is committed to safeguarding children.

International Day!
