Dear Parents and Carers,

What a busy week!

The trip to the Wetland Centre was a great example of exploration and a big success. We were very lucky with the weather. Thank you very much to the adults who came along to help.

Another great success was Ark Byron's first bake sale last week. We understand the counting is still going on so watch this space for a final total next week. Thanks to everyone – bakers and buyers alike. Well done also to Malak and her mum for the monies they raised for Unicef (£82).

Have a lovely weekend,

Mrs Kaplan and the Ark Byron team
