Dear Parents and Carers,

It is excellent news that the site for Byron's new building is now vacant and that work has started to prepare it for construction. Please see the photo below.

A big thank you goes to Mr Pritchard and the Dads of Byron for organizing the inaugural Byron quiz night. It was a wonderful turnout and the evening had a great community feel to it. Congratulations to the "Cumberland Sausages" – sadly Mrs Kaplan and Miss Steele will need to practise their knowledge of Acton for another time! We have heard some wonderful donations were made on the wishing tree. Thank you everyone for supporting Ark Byron.

The new Football Club for Wednesdays and Fridays started this week run by Shooting Starz. A whoosh goes to Ms Sanjenbam and Ms Page for excelling in getting this organized. See the photos below.

Have a lovely weekend,

Mrs Kaplan and the Ark Byron team

STARS OF THE WEEK

	COURAGE	EXPLORATION	ENDEAVOUR	EXCELLENCE
Swallows	Lucas	Maisey	Zahra	Diego
Swifts	Josh	Logie	Douglas	Ben

ATTENDANCE AND PUNCTUALITY

Class	Attendance	Punctuality
Swallows	92.5%	98.7%
Swifts	94.1%	99.6%

Our Learning This Week

This week the children have been enjoying the story “Handa’s Surprise” – if you don’t know it please ask your child to tell you the story. They have been tasting the fruit that comes into the story and using adjectives to describe the fruit. Children have been acting out the story and writing their own independently. It is wonderful to see the children writing with great focus now.

Please help with your child’s learning by talking about the importance of good diet and exercise. **Please share with us (on Tapestry if possible) any examples this week of your child making healthy choices about food and exercise.**

In Maths children have been learning about money –coins up to 20p. They have been learning that some coins are worth more than others and making amounts in different ways. Please help your child to practice recognising these coins.

Notices

- If your child is wearing a polo shirt he/she does not need to wear a tie. If he/she is wearing the standard shirt the tie must be worn.
- With warm weather here at last please rest assured that children have ready access to water through the day though they are welcome to bring a bottle of water (not juice) to school.
- If you want your child to have suncream please put this on before school.

Home Learning:

Please keep the reading books and yellow books in your child’s book bag from now on so that we can read with them during the week and possibly change books more than once a week.

Green spelling books must be returned on Mondays

Ark Byron is committed to safeguarding children.

This is where our new school is going to be!
Everyone has been hard at work clearing the area
ready for construction.

We have been learning about Handa's
Surprise

Miss Steele came to visit our Literacy lesson

Shooting Starz Football club started this week...

We're excited to learn lots of new football
skills!
