

## Mathematics Mastery

- Identify tens and ones in a 2-digit number
- Partition 2-digit numbers
- Read and write numbers to 100 in words
- Order and compare numbers to 100
- Add and subtract ones from a 2-digit number
- Add and subtract tens from a 2-digit number
- Add and subtract two 2 digit numbers

## Science

- Living things and habitats
- Explore and compare the differences between things that are living, dead, and things that have never been alive.

## PSHE/P4C

- Health and wellbeing – Keeping safe, how to remain healthy and managing change.
- Citizenship Week.

## Computing

- Programming – programming short sequences of instructions; awareness of input and output.

## Topic

- Identify significant events beyond living memory that changed lives.
- Researching the history of flight and how it has changed the world.
- Recognising significant individuals who have contributed to international achievements e.g. the Wright brothers, Amelia Earhart and Neil Armstrong
- Using historical sources.
- Making a timeline

## PE

- Gymnastics: creating shapes, travelling, balance, flight and dismount, 3 action sequences

## Exciting Events

- Trip to Science Museum

## RE

- We are learning about leaders and teachers
- We will focus on responsibilities and special books.

## Art and Design

- Designing and making a kite

## English

In English we will focus on using expanded noun phrases in our sentences and writing in past or present tense. We will read a range of fiction and non-fiction texts throughout the term to help us with different writing genres. Our texts are:

- *Around the World in 80 days* by Jules Verne
- *Pigs Might Fly* by Michael Morpurgo

## MFL

- Spanish

## Home Learning

- Mathletics – new tasks set every week <https://community.mathletics.com/signin/#/student>
- Spellings
