

## Mathematics Mastery

- Solving word problems using addition and subtraction.
- Extending our knowledge of length and measurement.
- Learning how to measure in metres and centimetres.
- Representing and interpreting data on pictograms and tables.
- Find related multiplication and division facts in the 2, 5 and 10 times tables.

## Topic

- Considering why different places in the world are hotter than others.
- Identifying where Antarctica is on a map.
- Reviewing UK weather patterns and seasonal changes.
- Researching information about Antarctica and presenting findings.
- Locating the world's seven continents and five oceans on a map.

## PSHE/P4C

- Health and wellbeing – Keeping safe, how to remain healthy and managing change.
- Citizenship Week.

## Computing

- Programming – programming short sequences of instructions; awareness of input and output.

## Science

- Recognise and compare how different habitats provide basic needs for plants and animals.
- To construct food chains for a selection of habitats.
- To identify ways in which animals are suited to their habitats.
- Grouping and classifying animals and plants by their features.

## PE

- Dance: miming to a story, telling a silent story, creating a dance routine, performing to music.

## Exciting Events

- Arctic Explorer visits our school
- Trip to a church

## RE

- We are learning about how Christians celebrate Christmas.
- We will read the nativity story.

## Art and Design

- Designing and making weather vains.

## English

In English we will continue to focus on using expanded noun phrases in our sentences and writing in past or present tense. We will read a range of fiction and non-fiction texts throughout the term to help us with different writing genres. Our texts are:

- Meerkat Mail *by Emily Gravett*
- The Lion, The Witch and The Wardrobe *by C.S. Lewis*
- It was a Dark and Stormy Night *by Janet and Allan Ahlberg*
- Ice Trap *by Meredith Hopper*
- Shackleton's Journey *by William Grill*
- The Snow Queen *by Hans Christian Anderson*

## MFL

- Spanish

## Home Learning

- Mathletics – new tasks set every week <https://community.mathletics.com/signin/#/student>
- Spellings
